Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Di Devi has a big, hairy bush.
She's from Minsk, and she wants you to see her play with her fragrant garden of pubes. She's a real Bush Baby who's gonna make you cum.

Cedella is a punk rock babe.
Cedella has a "fuck it" attitude. She's not rude; she just doesn't give a fuck what anybody thinks about her. She has pierced nips and dyed hair. Watch her masturbate until she cums.

Chery is an anal-addicted MILF.
She's 56 years old and married. In this scene, she's fucking a hung 25-year-old stud who treats her asshole like a pussy, and it drives her crazy.

Sindy is a babyface who loves cock.
She's a youngster with braces, cute hair and a body that'll knock your socks off. In this scene, she takes on an absolute hog of a cock and cums buckets while that dick pounds her little slit.

Emily Willis has to tinkle.
She's waiting to use the bathroom, but she can't wait. She runs outside, pulls her panties to the side and lets her golden stream flow. Feeling relieved, she goes inside and rubs her pussy until she cums.

Poor Madison Mason has a cold.
But instead of slurping up chicken soup or ginger ale, she slurps up a hung stud's big dick. She's a cute teenager with blond hair and a tight, wet slit.

Lola has a bathroom routine.
She likes to shave her pussy then fuck it with a toy or her fingers. Lolita likes her pussy to be smooth at all times, so she shaves regularly. No stubbles pricking you with this beauty!

Madison is a shy girl who goes wild.
She has adorable little tits and a cute bubble butt. She looks nervous on-camera, which makes sense because this is her very first nude scene.

Candy is an all-natural redhead.
She also has a thicket of luscious pubes covering her cunt. Watch as she diddles herself with her favorite toy.

Vanessa

Tucson, Arizona

Vanessa is always up for a good time. That's why she came to fuck our stud. "If someone offered me a million dollars or the best fuck of my life, I'd probably choose the latter," Vanessa told us. Before we get to the action, let's learn a little more about this cutie. Vanessa loves off-roading, hiking, playing volleyball, eating at fancy restaurants and fucking like an animal.

"I was pretty nervous about fucking on-camera," Vanessa shared with us. "I don't really want my family to find out about this. I'm still a princess in my parents' eyes. I'm just a princess who likes to fuck! I've done some crazy stuff before. Like, I've had threesomes before and had a foursome once. It was with me, another girl and two guys. We kept swapping partners until we were all exhausted."

Ready...aim...fire!

"I might be one of the only girls who loves getting a facial. It started with my first boyfriend. I was scared about getting pregnant, so I had him pull out every time. His favorite place to nut was my face, and I love it now, too."

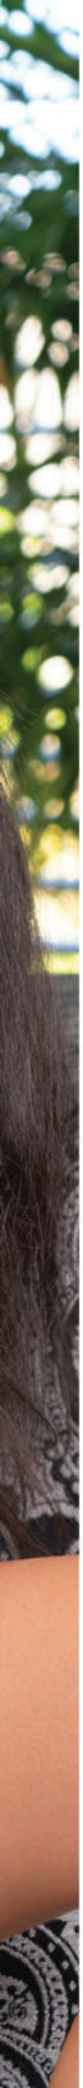
Lilly

Brno. Czech Republic

Lilly Bella is a former ballet dancer from the Czech Republic. She still likes to work out and dance to keep fit, but these days she's more likely to be strutting her stuff in a dance club than in a dance studio. "I like to go out and party," she told us. "It's a good way to cut loose with my girlfriends and have some fun on a Saturday night. It's also a good way to meet cute guys!"



"I'm not dating anyone right now, so I don't go on dates. But, my favorite date would be something low-key. I'm a good cook, so I'd invite the guy over to my place for my famous spaghetti bolognese that I learned how to make when I studied in Italy. Afterward, we could watch a movie and make out on the couch. I don't usually have sex on the first date, but it has happened before. It all depends on the mood."

"I have had public sex, sort of. It's a funny story. It was with an ex in a public sauna. We were naked and horny, so I started blowing him. Eventually, I rode on his cock until he came, and we left to take a shower. That's when we saw that there was actually another couple in there with us! It was thrilling and embarrassing."

Press her buttons!

"I just bought a fun pair of panties from a sex store. It has a built-in vibrator placed right on my clit, and it came with a remote. I want to find a guy to give the remote to so he can make me cum at the movies or in a coffee shop."

Ginger

Cleveland, Ohio

Ginger is a spicy little number who will leave a good taste in your mouth. We asked her if she had any fetishes. "What fetish don't I have? I have a foot fetish, piss kink, spit fetish, bondage, roleplay, light BDSM, and I'm sure I'm going to keep finding more as I explore. I'm game for anything."

Hole of love

"I don't like swallowing cum that much," Ginger told us. "I'm a spitter to be honest. I don't like to swallow because cum leaves a weird taste in my mouth. But, I really like taking facials. There's something so erotic about the feeling of cum dripping down my face and onto my chest. So, even though I'm not on team swallow, I still like cum in other ways. Most guys are cool with that."

Grab the hose, Ginger!

"My biggest fantasy would be to get gangbanged by a bunch of hot firefighters. I'll take them all at once. Something about that specific uniform does it for me, and I want them to all absolutely destroy me."

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

Tyrannosaurus SEX

Why did the Tyrannosaurus Rex have such small arms? No, that's not the setup for a corny joke. Instead, it's a question researchers have been pondering since paleontology began. For a long time, the leading theory was that T-Rex's arms no longer served a purpose, so they shrunk through evolution. But, a newly discovered relative to Rex has shed light on a new theory. Found in Patagonia in Argentina, the Meraxes Gigas lived about 90 million years ago and grew up to 36 feet tall, weighing around four tons. It's skeleton, found in near perfect condition, is extremely close in shape to T-Rex. Dr. Juan Canale, a paleontologist, says that Meraxes Gigas's small arms were most likely used to hold females during mating. Because of their bodies' unique shape and scale, their arms didn't need to grow any longer. Dr. Canale added that small arms also probably helped when standing after a fall.

THE BEST SEX POSITION

Researchers in New York have determined the sex position most likely to make women cum. Using an ultrasound scanner on a test couple, academics measured blood flow in the woman's body and found that regular ol' missionary (with the help of a well-placed pillow under her bottom) was the most surefire way for women to have an orgasm. The test couple also tried cowgirl, lotus (seated and facing one another), missionary without the pillow, and doggie-style. The ultrasound results showed decreased blood flow to the clitoris during all positions compared to the eventual winner.

Hint: It's not doggie-style!

Modified missionary.

INTERVIEW WITH A GIGOLO

When you think of escorts and prostitutes, your mind probably conjures up images of girls wearing short skirts, too much makeup, and risky front-seat blowjobs. Or, maybe you think of someone a little classier like Rebecca De Mornay from Risky Business. But, you probably wouldn't think about male escorts or gigolos as they're sometimes called. These men fuck for money, and their services are frequently used. We sat down with one of these guys, a man named Miles, to ask him about his business. Portions of this interview have been edited for clarity.

We asked a gigolo to answer our burning questions.

Can you describe your appearance? We have to imagine most men with your job are quite handsome.
I'm not bad looking, but I'm not Ryan Reynolds or anything. If I were at a busy bar, I might be in the top ten or fifteen best-looking people there, but I wouldn't rank myself any higher than that. I'm 29 years old. I'm 6'1" and 180 pounds. I run every morning, so I'm in pretty good shape. Most of my clients comment on my smile more than anything. Being nice is a more important part of my job than having six-pack abs.

Sidra

Santa Fe, New Mexico

Sidra was fresh out of college when the Covid-19 pandemic hit. "I was working in the corporate world," she told us. "Then, I looked around and realized that everything around me sucked. I didn't have any energy. I wanted to do something fun. So, I had a friend with a camera shoot some nudes of me. I put them online, and guys were immediately receptive. That's when I decided that I wanted to try shooting porn."

"My motto when it comes to sex is that you won't know what you like until you try it. Like, for example, I love anal sex now, but I was scared of doing it at first. Then, I hooked up with a guy who was obsessed with my butt. So I let him work me up to full-on anal sex. He used toys on me, licked my asshole and used his fingers. By the time he stuck his cock in me, I was begging for it. Now, it's my favorite thing in the world."

Sidra's soft tufts.

"I like my bush the way you see it in these pictures, but I change it up every couple of months. I like variety. Sometimes, I'll shave it all the way, but I don't like being bare as much as I like having hair. Bushes are cute and fun."

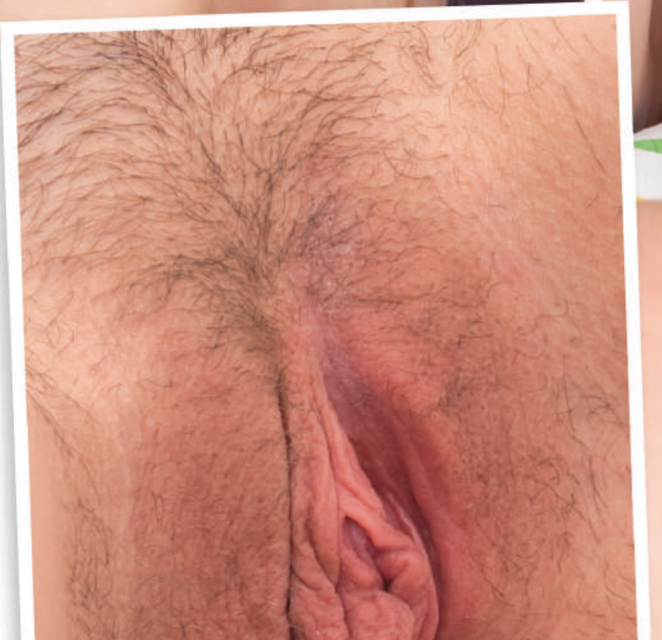
Luna

Harrisburg, Pennsylvania

Lovely little Luna has a boyfriend. No, it's not the guy with the big dick who is about to fuck her tiny slit. Is her boyfriend okay with this? Well, we'll see. "He says he's cool with it," Luna told us. "He was the one who encouraged me to start camming and modeling. But this is my first hardcore scene."



"I love having sex, but it doesn't get any better than having my pussy licked. I love getting head, or eaten out, or whatever you call it. I would be fine with just doing foreplay until my partner and I cum. I don't need penetration. But it's still really good, and cock-in-pussy sex is so much more emotional and intense than anything else."

"My favorite position is doggie-style. That, or cowgirl. Doggie is nice because I can zone out while my guy fucks me from behind. I can concentrate entirely on making myself cum. But being on top is awesome because I can control the pace and make him cum whenever I want him to by moving my hips. Missionary is cool, too. I like looking at the guy's face while we screw."

Slurp it down, Luna!

"Before I swallowed jizz for the first time, my girlfriends told me how nasty it was. I was terrified the first time I tried it. But, I was surprised when it went down easily. I was like, 'Really? That's not bad. It's actually pretty good.'"

Reese

Kansas City, Kansas

Is there anything better than a young teen who looks cute but sucks and fucks on-camera? We don't think so. Reese is an all-American gal who loves watching baseball (her favorite team is the Cubs). She's tiny and as cute as a button. So if you're wondering how our stud's hog is gonna fit inside of Reese's slender body, watch and learn.

"I've fucked some pretty big dicks," Reese boasted to our cameraman. "As long as I get enough time sucking it before I get it in my pussy, I'm good to go. The act of licking and sucking, tasting precum on my tongue, gets my juices flowing more than anything else. It's probably bordering on an oral addiction at this point. I need to give head before I get laid."

"One of my favorite hobbies is gardening. My biggest goal is to get married, buy a house and build a big garden I can walk through. I have fantasies about pulling weeds, planting flowers and having picnics with my fantasy husband outside. But, of course, my fantasies usually also includes getting busy on the front lawn with the neighbors watching."

Bella

Boca Raton, Florida

Bella knows that you're going to watch her suck dick, get her pussy pounded and receive a sticky facial. She knows that you're gonna jack your dick while watching her cum. "I love it. It's such a turn-on to know someone finds you attractive and is pleasuring themselves to you. My favorite is when guys send me videos of them jacking off and cumming."

When we sat down to chat with Bella, she was perky and full of questions. "Do phone sex operators still exist?" she asked us. "Because I should totally be one. I love having dirty conversations that lead to both of us masturbating and cumming. I also like to mutually masturbate with a guy before we have sex. Not only is it hot, but it lets us both know what the other person likes. It's like a movie trailer, pointing out the good parts."

"My favorite position is doggie-style. I can rest my elbows on the bed, stick my ass in the air and let the guy go as hard and as fast as he wants. I don't have a very deep pussy, so it's hard to take very much length in missionary. But in doggie, I can let myself get filled up with as much dick as the guy can provide. Plus, I like having my ass spanked and played with. Bent over, the guy has full access to my backside."

"I wasn't too nervous about having sex in front of your camera crew because I've had sex in front of people before. Heck, I've even had sex at parties before, in front of all of my friends. They joke about how I'm always naked."

How good are you in bed?
[Chuckling] Very. I'm very good. I wouldn't have this job if I sucked. My dick is a little bit above average size, so that helps.

Are you in a relationship?
No. I'm single. Finding a woman to accept me doing this would probably be hard. I'm not looking, either.

How often do you work?
I have three jobs this week. Sometimes it's more, and sometimes it's less. But I do see at least one client every week. I work for an agency that vets the clients and sends me their details.

Do you only see women? What do they look like?
I only work with women. No offense to my peers who also see men, but that's not for me. My typical client would be in her late 40s. Some are married. Most of them are in good shape; they're just not getting what they need at home. They'll tell me that their husbands don't care if they cum or not, or they'll complain about their husbands letting themselves go physically. I've never had an issue with making my clients cum.

Describe a typical meet-up.
I like to call them dates because

"CUM ALL OVER MY BIG TITS!"

Most of our gigolo friend's clients are MILFs.

that's what they feel like. I'll shower, shave and then put on a suit–nothing too flashy. I bring a small travel bag with condoms, lube, toys and massage oils. I used to buy those novelty couples' bundles they sell at porn stores, but most of those are garbage. When I meet up with my client, we'll sit down and chat. I'll ask them questions about their lives. I keep it breezy, and I'll always be genuinely interested in getting to know them. I let them set the tone and pace until the actual sex starts. At that point, most women want me to take over.

Who's the oldest client you've ever had?

She was probably in her 70s. She was still in good shape, and she was smart as hell, too. She just wanted a good lay again.

Who's the youngest?

A college student who wanted to see what good, anonymous sex was like. She had a lot of fun. I gave her her first orgasm through penetration. She was thankful.

Even college girls get in on the action.

How did you become a gigolo?

I met a guy at my gym that did it. We were playing basketball, and he told me all about it. He helped

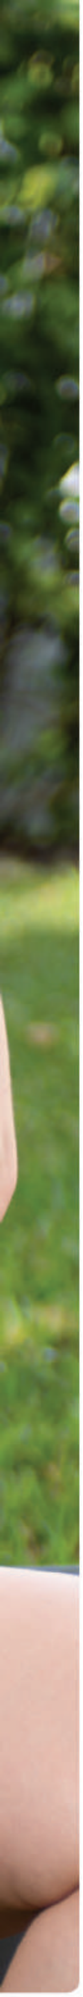
V. Monroe

Carmel, Indiana

We invited V. Monroe to play some bocce ball, tell us about herself and show off her impressive rack. This busty teen was happy to chill in the backyard and show us her luscious body. "I'm a natural show-off," she explained. "I'm more comfortable in a bikini or completely nude than in jeans or whatever. I like the attention I get when I go out in public and show a little skin."



"I got my nipples pierced right after I turned 18. I've always loved how piercings looked, and I knew that I wanted them. It's awesome when guys lick my tits now. It's like I turned the intensity knob all the way up on the sensitivity. My favorite thing is when a guy is fingering me and squeezing and licking my nips. That makes me cum and squirt like crazy."

"My perfect date would be to a music festival. Like, we could pitch a tent, party, dance and screw every day while listening to music. I'm saving up to go to Coachella with friends. I'm going to have so much fuckin' fun!"

Best AMATEURS

2013

Naughty Neighbors was founded in 1995, and in that time, we've shot many thousands of girls. Some have been good, and some have been great. Only a handful have been the very best. Please enjoy looking back at the absolute best girls we've had the privilege of printing in the world's greatest amateur magazine over the past decade.

OF THE DECADE

2013-2022

2014

Amateurs have changed quite a bit in the past decade. Girls stopped cultivating their pubes and opted to shave. Piercings faded in and out of popularity. However, youth, soft curves and wet slits have always stayed in fashion–as evidenced by our favorite amateurs from the early teens. These natural beauties really are the best.

2015

As we entered the mid-teens, the amateur girls we printed wore a little more makeup, experimented with more tattoos and some found a passion for posing nude, becoming mainstays in the adult industry. Still, as a magazine, our focus has always remained on discovering beautiful young women who may only shoot porn once but powerfully impact our readers.

2016

2017

Although bush has become rare, we maintain that amateurs of all kinds should be represented in our mag, and we have bestowed the Bush Baby title to many haired honeys. Vanessa is one of a rare few who earned the Bush Baby title and the honor of being a ***Naughty Neighbors*** covergirl. So we doff our caps to her and her fellow hirsute vixens.

Although it may seem like the 20-teens just ended, it was almost four years ago. But, we had some fantastic amateurs from around the world who you will probably recognize from the front covers of our magazine. We picked these girls because of their amazing smiles, incredible bodies and over-the-top confidence that led them to spread their slits for the whole world to see.

2020

Most of the girls you see in this special are homegrown American hotties, but the world is filled with amateur knockouts. Bella, for instance, is the rare combination of a naturally super-busty foreigner and a *Naughty Neighbors* covergirl. We had to fly a photographer down to Colombia to shoot her pictures after her boyfriend contacted us. Seeing her E-cup breasts and wet, pink slit made the flight worth every penny.

2021

Recently, we've had a run of wonderful and unique-looking amateur girls grace the pages of our publication. Gialio's on-again, off-again boyfriend sent us photos of her posing on the beach in her native Greece. Isabella is a teenager from Prague, and she was kind enough to show us her tight holes and hold her cheeks apart for a long time for us to get great shots. Who says young girls today don't have a good work ethic? Although times have changed in the past decade, enthusiastic and horny teens have always wanted to show off.

Even though the year wasn't over when we finished our search, we knew we wanted Rika to represent the best of 2022. She is a certified hottie, and we fell in love and lust with her fiery sultriness and hot, tight body. We can't wait to find, film and fuck more amateurs just like her for you in the future.

Brianna

Shreveport, Louisiana

Don't you love road trips? There's no feeling like hitting the open road, blasting music, stopping by roadside attractions and pulling over so you can shoot naked pictures of your girlfriend. "My guy and I love shooting naughty pictures," Brianna told us. "These shots turned out great, so we decided to send them to you."

She'll blow you away!

"I was at a gangbang once. I didn't want to participate, but I got swept up in the excitement. I ended up blowing, like, 10 guys before they went and fucked the other girl. Afterward, the guys referred to me as their 'fluffer.'"

By the way, is the term gigolo offensive? What do you say?

I can only speak for myself, but I don't really find gigolo offensive. It's not what I say, though. I prefer the terms escort or companion.

Leave the money on the dresser, baby.

Many female escorts say they're half sex worker, half psychiatrist. Does this hold true for male escorts?

Absolutely. Like I said, my ears are the most-important parts of my body. I listen to these women. It's the only way to know what they want. For example, I just saw a woman who told me that she's dating. She keeps getting gross guys who send her dick pics minutes after matching with her. She

doesn't hate dick. She just wants someone to be respectful and flirt with her before shoving his cock in her face. I hope she finds a nice guy. I think guys collectively need to step up their game and start treating women better. They'll want to fuck your brains out if you just treat them like fellow humans.

Have you ever been threatened or gotten your ass kicked by a jealous husband?

No. It's never come up before. I think my clients are fairly discreet. That being said, I spent a lot of my childhood getting into fights. I can handle myself.

What's the most rewarding part of your job? Is it the sex?

That's a big perk! I love sex. You have to love sex to do this for a living. I love it. I love women. I love helping them out. Some of the women I see want to explore a new kink. Maybe something they saw in porn tickled them, and they want to check if it's for them. I'm their employee and their partner for the night, so they can call the shots. It's safe for them. Some women just need a fucking date. They want to get dolled up, go out to dinner at a fancy restaurant, drink champagne in a clean hotel room and then get their brains screwed out. It's not complicated. I think that sounds appealing to most people.

How do you get paid? We have to imagine that it's mostly a cash business.

Nope. I have to be careful here because if I tell you the apps I use to take payments, it could get flagged or looked into by the government or whatever. But, I'll just say that there are a lot of helpful apps that have hit the market in the past few years. You probably have some of them on your phone right now.

Finally, a lot of our readers are probably interested in getting into your line of work. Do you have any suggestions or tips for them?

I'm not sure that I do. It's sort of a matter of being in the right place at the right time with the right people. I think getting to know escorts in your town could be helpful.

Jenny

Tatce, Czech Republic

Jenny is a beauty originally from Austria, although she now lives and studies in the Czech Republic. She decided to earn some extra cash for school by modeling. "There's nothing better than fucking," Jenny explained. "So why wouldn't I want to fuck and get paid while doing it? I have sex three or four times a week already, so it's natural to me. I've never had a boyfriend with a libido that could match mine."

I'm at university right now, but graduation is coming up. I don't know what I want to do with my life yet. I think I'm going to spend a year traveling. I want to go to Australia, New Zealand, China and the United States. I'd love to do a road trip on Route 66 and see the American Southwest. Of course, if I happen to pick up a cowboy or two in a pickup truck, that would make the whole trip amazing!"

"I'm not an exhibitionist, per se, although I have had quite a lot of sex outdoors. I haven't planned it. It has just happened. You know how it is when the mood strikes. The craziest place I've ever had sex was on the roof of an expensive hotel. The guy and I put on a show for the people in the taller surrounding buildings. We heard some people cheering us on as we screwed."

Jenny the party host!

"I'm single now, but I have three or four fuck buddies who I see on a regular basis. Some of them know each other and don't mind sharing me. One day, I'd like to get them all together for an all-out gangbang."
